Docket No. RM2018-1

NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING  
OF REVISED FILE WITHIN USPS-RM2018-1/1 -- ERRATA  
(February 13, 2018)

The United States Postal Service hereby gives notice of the filing today of a revised version of one Excel file within the material listed below as part of the public annex in this docket:

**USPS-RM2018-1/1**

**Public Material Provided in Response to  
CIR No. 1**

As indicated, the public folder includes material (primarily data files) provided in response to various items in Commission Information Request No. 1, and the original version of this folder was filed on December 4, 2017. A description of the revision can be found at the end of the revised Preface included with the folder. This filing does not replace the original folder entirely. Instead, only one Excel file (PP1-1\_Bundle Breakage.xls) among multiple files is replaced, and the other unrevised files are not resubmitted. Thus, included with this filing are only a revised Preface, plus the single Excel file that is revised. For the reasons explained in the Postal Service's response to Question 4 of ChIR No. 14 in Docket No. ACR2017 (filed February 12, 2018), the

revised file provides more accurate information on bundle breakage than what was provided previously.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
